1. In response to the request of the Executive Secretary, USIB (reference a), the Committee on Overhead Reconnaissance (COMOR) has reviewed Dr. Flax's 14 September memorandum reporting that the National Reconnaissance Office (NRO) has undertaken [REDACTED] [REDACTED] for OXCART.

25X1

2. COMOR reviewed the statement of requirements and the specific targets forwarded to the Board in March (reference b) and considers them still to be valid. Deployment and use [REDACTED] in OXCART should increase opportunities to answer these requirements. COMOR notes that NRO is continuing to study the problem of [REDACTED] [REDACTED] and confirms that this would be a valuable addition to the system.
